An aerial photograph of a well-maintained backyard. The lawn is vibrant green and mostly clear, with a large shadow from a tree on the left. In the upper left, a small wooden shed with a dark roof sits near some bushes. To its right, a white trampoline is partially visible. Further right, a greenhouse with a translucent cover stands among various shrubs. In the bottom right corner, a paved patio area features a white patio heater, some orange and white bowls, and a grey umbrella. The background shows a dark car parked on a driveway and parts of neighboring houses.
